Meeting No: 21

Meeting Details

| | |
|------------|--|
| Date: | 01/10/2021 |
| Venue: | Microsoft Teams |
| Attendees: | Jared Song Aili Gong Alexander Aloï Shannon Dann Carl Karama Redowan Mahmud |
| Apologies: | N/A |

Information / Decisions

| No. | Item |
|-----|---|
| 1 | Alex's changes to services and models requires all repository queries to be updated |
| 2 | Front-end functionality broken until the repository issues are resolved – fix ASAP |
| 3 | All microservices aside from reviews and incentives have been refactored |
| 4 | Business user information not being saved to business table when creating new user |
| 5 | Our burndown chart line is still below the ideal burndown – great job everyone |
