

Meeting Minutes

Weekly Meeting with team/Supervisor

Meeting No: 23

Meeting Details

Date:	08/10/2021
Venue:	Microsoft Teams
Attendees:	Jared Song Aili Gong Alexander Aloï Shannon Dann Carl Karama Redowan Mahmud
Apologies:	N/A

Information / Decisions

No.	Item
1	Final sprint started
2	Product owner is happy with our progress – no issues
3	Product owner is happy with us focusing on the original user stories and not completing the extra user story given in the first sprint – having incentives for buyers
4	Using Kubernetes is optional, but we will attempt this challenge if we have time
5	Logging needs to be added to code
