

Meeting Minutes

Weekly Meeting with team/Supervisor

Meeting No: 8

Meeting Details

Date:	20/08/2021
Venue:	Microsoft Teams
Attendees:	Alexander Aloï Shannon Dann Aili Gong Carl Karama Jared Song Redowan Mahmud
Apologies:	

Information / Decisions

No.	Item
1	Priority should be to have the back-end and front-end linked
2	Half of the user stories should be near completion by next week (mid-sprint)
3	Everyone should be able to deploy the base code themselves and run the front-end and back-end on their local IP address.
4	More frequent meetings may be required for reviewing code

Action Items

No.	Item	Who	By
1	Implement methods for model classes	Jared Song	23/08/2021
2	Complete front-end for user login and user profile	Aili Gong	23/08/2021
