Meeting No: 10

Meeting Details

Date:	27/08/2021
Venue:	Microsoft Teams
Attendees:	Alexander Aloï Shannon Dann Aili Gong Carl Karama Jared Song Redowan Mahmud
Apologies:	

Information / Decisions

No.	Item
1	Product owner was satisfied with the group's progress
2	The group should have more meetings to go over the framework so that everyone is able to contribute and complete their assigned user stories
3	After finishing user stories for the sprint, we should look towards CI using CircleCI
4	Postman requests successfully run, the back-end can now be implemented
